At Missoula County Benefits, we are in network with many preferred providers. The following is a current list, as of 8/28/2025 of preferred providers and preferred provider organizations. We do our best to update this list on a regular basis; however, we recommend our members contact our office directly to verify eligibility and coverage, as this list does not guarantee coverage or payment due to the volatility of our provider network.

If you have trouble accessing the documents on this page, please email us at benefits@missoulacounty.us. We're happy to help you.

Hospitals and clinics with multiple specialties include Community Medical Center, St Patrick Hospital, St Patrick Hospital – Providence (including Providence of WA, Sacred Heart, and Swedish Health Services) and Marcus Daly Memorial Hospital
