

## IMPACT FEE SCHEDULE

Effective October 1, 2025

Amended December 18, 2025

\*does not include card processing fee if applicable

### **PER RESOLUTION 2025-105** Impact fees apply to all new developments (commercial, industrial, institutional, office and residential).

- This includes new office buildings, new homes, building remodels and additions like studios, commercial storage facilities or other detached residential accessory structures. Greenhouses and barns and detached storage are not likely to generate impact and do not require impact fees.
- In general, buildings or constructions that add an increased demand for services from government (like more administrative space, fire engines to respond to emergencies, trail maintenance for increased use due to population growth, etc).
- Impact fee development categories are defined as follows:

#### **COMMERCIAL/ RETAIL**

Establishments primarily selling merchandise, eating/drinking places and services. Examples include retail uses: shopping centers, supermarkets, pharmacies, restaurants, bars, nightclubs, automobile dealerships. Services examples include movie theaters, repair, health clubs, beauty, hotels and motels. Corresponds to Institute of Transportation Engineers ITE (11th Edition) land uses 300-320, 810-971.

#### **INDUSTRIAL**

Establishments primarily engaged in the production, transportation or storage of goods. Examples include manufacturing plants, distribution warehouses, long-term storage, trucking and logistics. Also includes construction, utility, power generation facilities and telecommunications buildings. Corresponds to ITE (11th Edition) land uses 100-180.

#### **INSTITUTIONAL**

Establishments providing education and healthcare services. Examples include universities, nursing homes, daycare facilities and hospitals. Corresponds to ITE (11th Edition) land uses 520-650.

#### **OFFICE**

Establishments providing management, administrative, professional or business services. Examples include medical/dental offices and business offices. Corresponds to ITE (11th Edition) land uses 700-731.

#### **RESIDENTIAL**

Any building, structure use or development designed, intended or used as a dwelling unit or its accessory buildings, or that results in the expansion of a dwelling unit or units.
